

06.28.2023 Veterans Home Family Updates:

Dear Family and Friends of the Veterans Home at Chippewa Falls,

Unfortunately, we identified one COVID-19-positive employee since our last update. Accounting for all recoveries, we currently have one COVID-19-positive employee and zero members.

Masking is highly encouraged when at the Veterans Home for all team members, members, visitors, and volunteers.

All visitors are still required to check in at the kiosk upon entry and you will receive a sticker badge to wear while on-site. A reminder that if you have any symptoms of COVID-19, if you've recently been exposed to anyone with COVID-19 in the last 10 days, or if you currently have COVID-19, please do not visit. If you would like a COVID rapid test prior to visiting your loved one, please alert the receptionist prior to going back to the households.

All households are open for visitors, but please be mindful of the risks associated with visiting the Veterans Home during a COVID outbreak.

Please let us know if you have questions. If you are not feeling well, please do not visit until you have taken a COVID-19 test and have fully recovered from your symptoms.

Thank you for your commitment to the health and safety of everyone at our Home.

Sincerely,

Katie Plendl

Katie Plendl, NHA | Executive Director
Wisconsin Veterans Home at Chippewa Falls
